

## "For You are"

1.

I feel Your presence in the morning,  
always fresh like a new day dawning.  
It doesn't leave me when the night is falling,  
in my calm I hear Your calling.

Chorus

For You're my Jesus,  
all my past made wondrously anew.  
For You are my Jesus,  
all my paths are simply found in You.

2.

You're there for me in every situation,  
times of joy and desperation.  
I've learnt to trust in all the ways You guide me,  
put my cares in Your hands so lightly.

Chorus

For You're my Jesus,  
and from Your paths I never want to stray.  
For You're my Jesus,  
there's nothing that can take Your love away.
